

## 2018 Events Calendar @ CFCC Hayward

Theme: “Wiser: Developing skill in the art of godly living”

1. Key Verse: (Proverbs 1:7) “The fear of the LORD is the beginning of knowledge; fools despise wisdom and instruction.”
2. Goals: We will practice encountering Jesus to:
  - [Transformationally] Grow in Christ-like character: Wisdom isn’t just behavior management, but internal transformation from Jesus to walk a path of godly living and decision-making (1 Cor. 1:24-30).
  - [Relationally] Heal our relationships: as we develop godly wisdom in our interactions with family, friendships, and church.
  - [Missionally] Live out a clearer example: in unchurched friendships to share God’s spiritual truth and practical grace.
3. Tools:
  - Preaching from Proverbs focused on how Jesus gives us wisdom and power to live daily in the reality of God’s presence.
  - Transformational growth through inter-generational discipleship that instills our church’s 6 biblical values into daily life.
  - Relational growth in the Body of Christ through diversity training, small group development, and family building events.
  - Missional growth through the building project, neighborhood outreach, and personal evangelism projects (e.g., 3<sup>rd</sup> Spaces).
